 - Hypoxia Check/Automated Descent Mode
 - Blue Level Button
 - Autopilot Stall Protection

SR22 PACKAGES

PERSPECTIVE PLUS

\$36,900

Add cruising comfort for both the pilot and the passengers with the **Yaw Damper**. It will practically eliminate the need for rudder input in those extended climbs and turns, allowing for a smoother ride. Your peace of mind also increases with **Perspective Enhanced Vision System (EVS)** and a **second Air Data Computer**. Perspective EVS creates an image of what is outside the aircraft by using infrared technology to turn night into day. The second Air Data Computer adds redundancy and cross-checking capabilities to your Cirrus Perspective cockpit. *Weight Δ: 4.1 kg*

PERSPECTIVE ALERTS, AWARENESS & ASSISTANCE

\$37,900

Maximum situational awareness goes hand in hand with maximum capability. Always know where other aircraft are located with **Active Traffic Information** that alerts you of all aircraft with an active transponder within your proximity. **eTAWS** is a TAWS-B terrain warning system with greater predictive precision information based on your flight path, and if terrain is ahead, gives you early warning aural alerts. Also know where you are on approach or on the airport itself with **ChartView** (Jeppesen published electronic charts) and **one year of navigation data subscriptions**. *Weight Δ: 6.8 kg*

CERTIFIED FLIGHT INTO KNOWN ICE

\$49,900

Increase your flying flexibility and capability with the **Cirrus Known Ice Protection System**. Not an STC or an afterthought, this TKS-based system was uniquely engineered to include innovative features such as **dual windshield sprayers** that ensure landing visibility, **dual TKS fluid tanks with automatic tank switching** and **three TKS flow rate options** to cover every condition. More impressive is the full integration with the Cirrus Perspective cockpit providing ready access to **TKS fluid duration and range information** and all **System Operating Parameters**. Finally, this package also guarantees your aircraft is ready for colder weather flying and maximized engine life with a **Tanis Engine Pre-Heater**. *Weight Δ: 28.6 kg*

PREMIUM SELECT

\$39,900

Your aircraft will take you many places. Make it look even better at your home airport with the Premium Select Package. Add **Tinted Rear Windows, Polished Spinner** and **Sterling or Two-tone Paint¹** to give your aircraft head-turning ramp presence. More luxury awaits inside the cabin with **30.5 cm Screens** and your choice of **Leather Interior**. *Weight Δ: 8.2 kg*

◆◆ CARBON APPEARANCE UPGRADE \$18,900²

Inspired by the unmistakable style of the most legendary sports cars, the Carbon premium upgrade utilizes a new palette of accent colors that gives the 2015 Cirrus a stunning tarmac presence. Interior details such as jet black vents, carbon fiber instrument panel lobes and two-tone leather bolster seats complete this exhilarating new look.

◆◆ PLATINUM APPEARANCE UPGRADE \$18,900²

A true sense of traditional, elegant and luxurious style is captured in the Platinum Appearance premium upgrade. Fluid lines and a distinguished collection of earthy exterior colors highlight this desirable option for 2015. Nickel vents, a painted spinner, and solid color leather bolster seats provide the perfect finishing touches that complement this rich new addition to Cirrus style.

GTS

New for 2015, the GTS package exclusively includes additional features from our special edition aircraft. Upgrade your Cirrus to a truly all-digital cockpit with our new **Digital 4-in-1 Standby Instrument**. Defend yourself, your passengers and your interior from the sun's damaging rays with **UV Protected Windows**. The 2015 SR22 GTS package includes the exclusive new features mentioned above as well as **Premium Select, Perspective Plus, Perspective Alerts Awareness & Assistance, Certified Flight Into Known Ice, Carbon or Platinum Appearance Upgrade** and **authentic GTS badging**.

GTS *Weight: 1070 kg*

\$688,900

GTS without Ice Protection *Weight: 1066 kg*

\$662,900

(Air Conditioning replaces Certified Flight Into Known Ice)

ADDITIONAL OPTIONS

AIR CONDITIONING

Stay cool with this factory installed Air Conditioning System.
Weight Δ: 24.9 kg

————— \$23,900

PERSPECTIVE GLOBAL CONNECT

Worldwide weather, satellite phone and text messaging through Iridium Communications, fully integrated for use with your cabin headphones, means you're always within reach. *Weight Δ: 2.7 kg*

————— \$15,900³

YAW DAMPER

Practically eliminates the need for the rudder in extended climbs and turns, allowing for a smoother ride for everyone on board as the annoying bumps are reduced. Also included in the Perspective Plus Package. *Weight Δ: 1.8 kg*

————— \$14,900

DME

Weight Δ: 1.8 kg

————— \$12,900

LIGHTNING DETECTION

Enhance weather awareness with instantaneous lightning information for all types of convective activity. *Weight Δ: 2.7 kg*

————— \$12,900

BUILT-IN OXYGEN SYSTEM

Give yourself the flexibility to fly to wherever you need to be. The SR22 service ceiling allows you to fly to 5,334 m. Take advantage of the higher altitudes to get over weather, terrain or increase your ground speed. The 2,180 liter capacity factory installed system will provide plenty of oxygen for all occupants for normal flight durations. *Weight Δ: 8.2 kg*

————— \$10,900

HARTZELL LIGHTWEIGHT COMPOSITE PROP

Significantly increase your SR22's useful load and add ramp presence with the three-blade composite propeller. *Weight Δ: -5.4 kg*

————— \$10,900

ADF

Weight Δ: 4.1 kg

————— \$8,900

TANIS ENGINE PRE-HEATER

Guarantee your aircraft is ready for colder weather flying and maximize your engine life. Available in 120 V or 230 V configurations. Also included in the Certified Flight into Known Ice Package. *Weight Δ: 0.9 kg*

————— \$1,490

THE INDIVIDUALIZED ART OF THE POSSIBLE

Cirrus owners already have an unparalleled appreciation for quality and performance. It's the reason Cirrus continues to be the world's best-selling airplane in its class. Now, Xi takes this one step further through individualization - by making you an integral part of the design team for your dream airplane.

A unique experience worthy of every flight you will make in your Cirrus, you will develop a personal working relationship with the Xi Team, working one-on-one to tailor your plane to your exact specifications and preferences for materials, colors, designs and more. With Xi, you define the art of the possible.
